Game time: 1st round starts at 1:30 pm
Game location: The Athletic Complex rec gym

General set up and rules for the Staff Day Volleyball Tournament:

1.) The first round of games will be at 1:30 pm. We will be at the rec gym by 1:00 pm (or earlier). So if you would like the practice, warm up, etc., come over a little early.
2.) The tournament will be round robin with each team playing each other team once. The winner will be the team with the most victories. In the event of a tie, there will be a playoff game. If more than two teams are tied, the two teams with the best point differential (i.e., points for minus points against) in their games will play in the championship game.
3.) We will do rally scoring with the first team to 25 winning (but they have to win by 2 points).
4.) Before each game, a coin flip will determine who will serve first.
5.) Each game will have a 20 minute time limit. At the end of the 20 minutes, if a team hasn’t already won, the team with the most points wins.
6.) Three hits per side maximum.
7.) Spiking is allowed.
8.) Teams must be co-ed – meaning you have to have at least one female and one male on the court at all times. Other than that, the ratio of males to females is up to the team - but there can only be a maximum of six people on the court, per team, at a time (i.e., rotate in and out).
9.) Teams keep their own score and the server announces the score before serving.
10.) Teams call own lines, net violations, in, out, etc. If the teams can’t agree on a call, play the point over. (Note: the line is “in.”)
11.) If the ball hits something suspended above the court, play the point over.
12.) Above all – HAVE FUN – where else can you work where they pay you to play volleyball??!!

If you have questions, please contact Jeff Herman (jeff_herman@wustl.edu, 935-5984) or Donna Hall (dhall22@wustl.edu, 935-4650).

Thanks for playing!
